SUMMARY

Zihao Zhang is a designer, educator, and scholar in landscape architecture. As a landscape theorist, he provides critical analyses of the entanglement between nature and technology, the human and nonhuman realms, and ecosystems and intelligent machines. His book *Cybernetics and the Constructed Environment* (Routledge, 2025) interrogates the ramifications of cybernetics on contemporary culture and the constructed environment. His design experiments address pressing issues including the climate crisis and social injustice.

HIGHER EDUCATION

Ph.D. in the Constructed Environment, University of Virginia, School of Architecture, 2021

Dissertation: *Cybernetic Environment: Uncontrollability and Non-communication for a Future of Coexistence*

Committee: Michael Lee, Nana Last, Bradley Cantrell, Michael Gorman

Master of Landscape Architecture, University of Virginia, School of Architecture, 2016

Bachelor of Engineering in Landscape Architecture, Beijing Forestry University, 2013

EXPERIENCE

Leadership

2024–2026	Director, Master of Landscape Architecture Program, Spitzer School of Architecture, CCNY
2023–2024	Interim Director, Master of Landscape Architecture Program, Spitzer School of Architecture, CCNY
2023–2025	Co-chair, ASLA-NY Climate Action Committee

Academic Appointments

2026–present	Associate Professor, City College of New York
2021–2026	Assistant Professor (tenure-track), City College of New York
2019–2021	Lecturer, Landscape Architecture, University of Virginia
2017–2019	Teaching Fellow, Landscape Architecture, University of Virginia
2015, 2016	Graduate Instructor, Summer Design Institute, University of Virginia

Professional Experience

2023–present	Co-founder, OSE: Office of Speculative Ecologies
2014	Landscape Design Intern, Waterstreet Studio, Charlottesville, VA
2013	Landscape Design Intern, Tsinghua Urban Planning and Design Institute, Beijing
2012	Architectural and Urban Design Intern, China Construction Engineering Design Group, Beijing

ACADEMIC AND PROFESSIONAL HONORS

June 2024	Journal of Digital Landscape Architecture Award for Scientific Excellence, Vienna
May 2023	Journal of Digital Landscape Architecture Award for Scientific Excellence, Bernburg
April 2019	Finalist, University Graduate Teaching Awards, University of Virginia
June 2017	Journal of Digital Landscape Architecture Award for Scientific Excellence, Bernburg
2014	VA-ASLA Award for Community Service

Selected Presentations and Talks

2025

- "Do Machines Care? Another Solarpunk Manifesto." University of Massachusetts Amherst. October 2, 2025
- Invited Panelist. Digital Landscape Architecture Conference, Dessau (virtual). June 4, 2025
- "Do Machines Care?" Beyond Maintenance Colloquium, ETH Zürich. February 28, 2025

2024

- Invited lecture. University of Pennsylvania Stuart Weitzman School of Design. February 28, 2024
- Invited lecture. "Of Bicycles and Artificial Intelligence." CCNY/CWE. March 25, 2024
- Invited lecture. University of Colorado Boulder. September 10, 2024

2023

- Invited webinar. Landscape Architecture Foundation. August 29, 2023 (1000+ live attendees, LAF record)
- Invited panelist. ASLA 2023 Annual Conference, Minneapolis. October 29, 2023
- Invited panelist. Bi-City Biennale of Urbanism\Architecture (UABB), Shenzhen. January 7, 2023

2022–2018 (selected)

- "Post-Digital Landscape and Post-Digital Culture." Digital Landscape Architecture Conference, Harvard GSD, 2022
- "Cybernetic Environment." Digital Landscape Architecture Conference (virtual), 2020
- Invited respondent for N. Katherine Hayles' lecture, UVA, 2020
- Digital Landscape Architecture Conferences: Dessau 2019, Freising 2018, Bernburg 2017

Other Scholarly and Creative Work

2023–present	Laboratory for Living Systems , NYC. Co-director
2022	Ecological Laboratory for Urban Agriculture (ELUA) , NYC. Designer, PI. https://ce-lab.one/ELUA
2020	Ostenda illuminata — Public installation, Charlottesville, VA
2018	CyborgBloom — Digital Art Installation, Charlottesville, VA
2018	"Forming Atmosphere" — Landscape design research featured in <i>Codify</i> (Routledge)

Public Scholarship

Chubby Cat Happy Chat Podcast (2024–present). Co-host with Shurui Zhang. Mandarin Chinese podcast on design, philosophy, art, and technology. <https://chubbycathappychat.podbean.com/>

GRANTS, FELLOWSHIPS, AND AWARDS

Grants

2024–2027	DOE Climate Lighthouse. Co-PI. \$1,000,000.
2024–2025	Architectural League Independent Projects Grant. PI (with Shurui Zhang). \$10,000.
2024	CUNY GRTI Round 24. PI. \$9,538.67.
2022–2025	CUNY Energizing Equity. Co-PI. \$600,000. <i>(ended)</i>
2022–2023	CUNY Interdisciplinary Research Grant — Synergistic Agriculture. PI. \$40,000. <i>(ended)</i>
2023–2024	PSC-CUNY — Robots in the Garden. PI. \$6,000. <i>(ended)</i>
2022–2024	PSC-CUNY — Rooftop Thermodynamics. PI. \$6,000. <i>(ended)</i>
2022	Spitzer Faculty Book Project Award. \$4,000.

Fellowships

2023–2024	CUNY Career Success Fellow
2022–2023	Deans' Equity and Inclusion Initiative (DEII) Fellow, Dumbarton Oaks
2020–2021	Graduate Teaching Fellow (\$24,000), University of Virginia
2017–2018	Digital Art Fellow, University of Virginia
2016–2019	PhD Scholarship with full tuition + stipend (\$25,000/yr), University of Virginia

PROFESSIONAL ACTIVITIES

Boards, Workshops, and Committees

2025–present	Executive Editorial Board, <i>Landscape Architecture Frontier</i>
2024–present	Advisory Board, West Harlem Art Fund
2023–2026	Board member (ex officio), ASLA-NY
2023–present	Editorial Board, <i>Journal of Digital Landscape Architecture</i>
2023–2024	Editorial Board, <i>PLOS ONE</i>

Funding Proposal Reviewer

- BARD — US-Israel Agricultural Research & Development Fund (2025)
- Austrian Science Fund (2024)
- European Commission's European Research Council (2023)

Consulting

2023–present Landscape consultant, Masaryk Towers (Mitchell-Lama affordable housing), Lower East Side, NYC

Membership

- American Society of Landscape Architects, New York Chapter (2021–present)
